180 PANORAMA

Fifty-one floors above the city, Panorama offers sugary cocktails, decent bar food, a spectacular view and two wraparound patios. Discreet waiters deliver mixed drinks to a diverse crowd: high rollers in Hugo Boss, couples basking in the candlelight and tourists in jorts. On a clear day, it's said you can see 250 kilometres. *55 Bloor St. W., 416-967-0000.*
