E

atertainment's Beats & Eats 3rd annual party was held on July 24th, 2019. This event showcased Eatertainment's amazing culinary and cocktail offerings, along with a few other surprises. The guests were transported to a summer party in Mykonos and were treated to an over-the-top experience. A night of style, great food, amazing drinks, and a stunning venue, these guests enjoyed a night to remember!

Believe us when we say, this was not your average party, it was a part-ayyyy. From full champagne walls, to a balls deep photobooth room, endless food stations, dancing on tables, and a giant sized robot with led lights and confetti guns.
